Count Your BLESSings

Simplify Your Application Processes!

Starting a business or currently running one? Are you in a mess on how to apply for licences, permits or approvals to start a business? Not to worry, BLESS will help you get the right information and licences.

BLESS helps you select the relevant licence, get the application form and submit the application online. You can even track the application's progress online! You will instantly know if your application has been processed and whether it has been approved.

BLESS also has an online communication platform, so that licensing agencies can communicate directly to applicants for licence applications status. It saves a lot of time and resources for everyone.

Your One-stop Online Licence Application and Submission

Why you should get BLESSed

BLESS is an online one-stop service centre that provides:

- Information on business licensing in Malaysia
- Processing services for submissions, approvals and tracking of the issuance of business licences
- Centralised information for analysis, future planning and service improvements

The Bliss of BLESS

- Enables you to apply for more than 100 licences from participating government agencies
- Simultaneous processing and updating by respective agencies
- Composite and standardised forms for quicker and easier processing
- Online submission, approval, enquiries, tracking and monitoring
- There are options to choose from a selection of electronic payment
- It allows you to identify relevant licences required for any business
- Feedback tool and functions should you experience any problem or require further assistance
